

Spinning Wheel Rental ::

I am based out of the Dallas-Fort Worth area and often give classes to those interested in learning a little or a lot more about spinning their own yarns.

As such, I own a wheel that I rent to those thinking of purchasing their own spinning wheel. I rent the wheel for a week at a time at rate of \$15.00 a week.

I currently rent an S51 model Louet spinning wheel. The S51 is a great wheel for a beginner to learn on and become comfortable with. The wheel is simple, easy to operate and allows one to spin very thick or very fine yarns.

A refundable deposit of \$250 is required at the time of the rental to cover any loss or damage to the wheel.

For those who feel more comfortable working with someone the first few times they give it a go, I also provide one-on-one lessons. I charge \$25.00 an hour, an hour lesson being the minimum. For many it takes only a few lessons to become comfortable spinning on their own.

If you are interested in learning more, feel free to contact me at amy@madelinetosh.com. I will then send you a rental agreement and let you know my scheduling availability.

Thanks,
Happy Crafting.
